Material Safety Data Sheet

----CEANROOM WIPER 8009

Section 1 Company Information

Section 2 Product Identification

Product Name: CEANROOM WIPER 8009

Section 3 Product composition

Component:

Components name	CAS number	Concentration (by weight)
Polyester	27083-59-9	70%
Polyamide	25038-54-4	30%

Section 4 Health Hazard

Non-harmful for Health

Section 5 First Aid Measures

Skin contact: There is no negative reaction on skin

Eye contact: there is no negative reaction on eye

Inhalation: No volatile for inhalation

Section 6 Fire protections

Combustibility: Flammability

Section 7 Spill and release measures

No Spill generation when store the product

Section 8 Fire protection

Flammability/ explosiveness: considered flammable.

Fire fighting instructions: Use extinguishing media appropriate for surrounding fire (water, foam, vaporizing liquid, or multipurpose dry chemical)

Section 9 Handling and Storage

Store in the desiccation, and aeration warehouses. Do not open the package before using the product

Section 10 Protection method

This product are innocuity and no harmful, and can be touched with any other goods

Section 11 Physical/ Chemical properties

Asorbency: easy to absorb water from air

Section 12 Stability and reactivity

Stability: Stable

Incompatability: None know

Hazardous decomposition products: Not Know

Hazardous polymerization: will not occur

Avoidance: Fire, high temperature

Burnt generation; HQ, COz & carbon

Section 13 Environmental information

Non-harmful and pollution for environment

Section 14 Waste disposal methods

Disposal the product before reading the relative regulation and laws

Section 15 Transportation information

Transport product by normal paper carton
